Juba Personal Protective Equipment S.L.

EC Directive 89/686/EEC EC Type-examination

Issue 1.

PPE Product

Juba® DK72, ambidextrous machine knitted two layer gauntlets with a Kevlar® outer layer and a cotton inner layer, which are available in one nominal hand size with a nominal overall length of 34 cm.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards:
EN 388:2003 for a performance classification of 2,5,4,1;
EN 407:2004 for a classification of 4,3,4,3,2,X.

The manufacturer's information notice (UI-DK72, issue 01), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file D1 specification DK7231, issue 01 with supplement

SGS Reference Number GB/PP 219745

This certificate remains the property of SGS United Kingdom Ltd to whom it must be returned on request.
