Juba Personal Protective Equipment S.L.

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Juba® (logo) NEOTHERM series, heavy weight black neoprene coated cotton interlock lined gauntlets with an etched rough finish on the hands and a foam lining laminated to the cotton liner. These gauntlets are available in one nominal hand size and the following overall nominal lengths: 30 cm (product code: AC5845), 45 cm (5845) & 66 cm (5866).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standards:
 EN 374-1:2003 (Protective gloves against chemicals & micro-organisms) with EN 374-2:2003 performance level 2 & EN 374-3:2003 permeation (\geq level 2) with reagents A, J, K & L;
 EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 3,1,2,1;
 EN 407:2004 (Protective gloves against thermal risks) for class 4,4,X,X,X,X.

The manufacturer's information notice (Style AC5845 / 5845 / 5866 "NEOTHERM"), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file: TF5-SNWG-SPEC-G3800-FBK, issue 1 revision 3 with supplement.

SGS Reference Number GB/PP 215219
