Juba Personal Protective Equipment S.L.

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Juba™ 532 B, ambidextrous powder free blue natural rubber (latex) disposable gloves with a textured surface finish, a nominal palm thickness of 11mil (0.26mm) and a nominal overall length of 30cm, which are available in four nominal hand sizes.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standard, EN 374-1:2003 (Protective gloves against chemicals and micro-organisms) for gloves offering low chemical protection (excludes clause 5.3.2) and micro-organism resistance (level 2).

The manufacturer's information notice (532B), in Spanish, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file specification
TF.(PPE 3).GS.LPF.11 iss. 1 with supplement.
