Juba Personal Protective Equipment S.L.

EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

Juba "Flex Shield Boa" 6K30-ROK, PVC dip coated cotton gauntlets with a granular coating on the hand and an inserted seamless knitted acrylic/wool lining, which are available in three nominal sizes with an overall length of 30 cm.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards:
EN 374-1:2003 with EN 374-2:2003 inspection level 3, EN 374-3:2003 permeation (\geq level 2) with reagents A, J & L:
EN 388:2003 for a performance classification of 4,1,2,1:
EN 511:2006 for class 1,2,1.

The manufacturer's information notice (PVC GLOVES - 6K-30 Flex Shield Boa), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file specification:
TF.GS.6K-BOA.G, issue 4 with supplement.
